From BRECK'S Holland Bulb Fields direct to you!

All Breck's Shipments bear this Seal

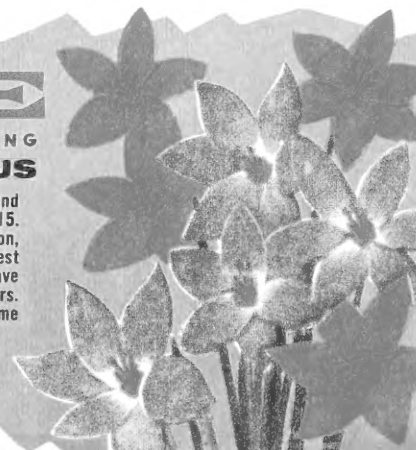

Here is a section of Breck's bulb warehouses — the most modern in Holland — in operation. Located in Hillegom, in the heart of Holland's bulb fields, our warehouses receive the freshly dug bulbs by canal barge. Then the bulbs are inspected and sorted — the biggest, most vigorous bulbs for Breck's customers; the smaller one to other exporters. After another thorough examination for possible defects, the bulbs are put into the famous green bags which identify them as Breck's bulbs, packed for shipment to you, and taken by canal barge to the steamer.

NOTICE: You must order before July 15, 1959! After this date, bulbs will be shipped to America to be sold at regular prices! Holland bulbs give their glorious bloom each Spring and can only be planted during the fall months. We mail this Sale Folder at this time, during the blooming season, so you can better plan your Fall planting needs.

CRESTED MARVEL

Here's a Tulip that is really different! Beautiful, rich crimson color, velvety texture and cup-shaped flowers would make Crested Marvel outstanding in any garden, but — where other Tulips have smooth, rounded petals — Crested Marvel has a unique, delicate ¼ inch FRINGE around each and every petal. The overall effect is extremely beautiful, with a soft quality never before seen in Tulips!

Crested Marvel was discovered by one of our bulb buyers while he was examining hundreds of test varieties in Holland. It stood out from all others like a beacon because of its color, texture and the beautiful lacy edges that surround its petals.

A strong, reliable grower with sturdy 22-in. stems, Crested Marvel blooms in mid-season, following the early varieties. We cannot speak too highly of this Tulip, and it should have a place of honor in every Spring garden.

Here's what customers say about...

BRECK'S FAMOUS ADVANCE BULB SALE!

You, too, will be pleased!

When my soul is sick of
the sight of snow,
And I'm weary to tears
of frost,
I would be having spring
algal and never count
the cost.
I would be trading winter
a thousand times and ten
To see my bulbs in
riotous hue, banked
on the hill again.
Mrs. C.P., Wheeling, W. Va.

We were so pleased with the
bulbs we bought from you last
year that we are sending a
larger order for this fall's
planting.... Our Red Emperors
measured a full 10" across when
open.... our Blue Parrots were
nearly as large. We have been
glad to recommend your com-
pany.

Mrs. C. C., Beresford, S.D.

I seldom brag about any
product, and when I read
some testimonial letters,
I say to myself, "They
probably got paid". How-
ever, I must apologize,
for my Red Emperors
were really 10" across
and the soil here is poor
at that. My tulips are the
envy of my neighbors.
Mrs. N. M.
Mt. Vernon, N. Y.

Last spring my new home
and grounds was one of the
most beautiful in this area,
thanks to Breck's and your
wonderful bulbs. We had
people stop in front of our
home to take a longer look...
many drove in and took pic-
tures. The flowers were
colossal ... that is the only
word to use!
Mrs. H.T., Woodstock, Ill.

We Americans go for anything
free. Well, those who wish to
win every time should play my
game. This time of year, the
mail is flooded with bulbs from
Holland.... Each time, I make
a short list and add up the cost.
Then I take my Breck's Bulb
Folder which is marked with
the tulips I have coming and
take the balance - BINGO -
I win every time. No one has
touched your prices!

J. C. K.

Gary, Ind.

I received my order of
bulbs and am real pleased
with them as I have paid
far more money for bulbs
before but never got any-
thing like these wonder-
ful bulbs from you.
Mrs. W. DeH.
Columbia Station, O.

Don't ever say Tulips don't
grow in Louisiana. ... We
planted your bulbs on the
"Old Spanish Trail" High-
way 90 at our home. Our
friends said they nearly had
accidents just looking. They
bloomed from March 1st
to April 19th. We left
them in the ice-box from
60-90 days before plan-
ting. Mrs. J. H.
Lake Charles, La.

For the past few years, I have
been ordering tulip bulbs from
your company. They always
arrive in A-1 condition and
flower true to color. This
spring I had about 100 Red
Emperors in one bed which
were breathtaking in their
massed beauty I am very
proud of my tulip garden
thanks to your quality bulbs.
Mrs. R. M. S.
W. Springfield, Mass.

My bulbs, ordered last
spring, arrived yesterday.
I feel I must express my
enthusiasm to you; they
are the biggest I have had
from anywhere and most
generous in count.
T. J. R., Philadelphia, Pa.

... these and many, many more in our files!
